

Snowmass Mountain Chalet 115 Daly Lane Snowmass Village 81615 **888 976-0807** is the number to call for room reservations. (our reservation code is **VIPER**) We plan to arrive Friday afternoon September 13<sup>th</sup> and plan to leave Sunday before noon September 15<sup>th</sup>. Book a room for the 13<sup>th</sup> and 14<sup>th</sup>. **2 nights**. The rooms are called the **Superior Room** and our rate is **\$143 per night**. For 2 nights with taxes and fees will be \$340.36. this place has secure covered parking and we will also get that for \$10 / night but not something we can do at this point, but no worries I am working with them to ensure we'll be OK to all park together with no issues. they will hold the rooms and this rate from today until next Friday August 23<sup>th</sup> as that is less than 3 weeks away to when we'll be there.

For those that are up to going to Aspen / Snowmass for a long weekend on September 13 -15, (like we did last couple of years). The Viper club has been invited to participate again this year along with the Ferrari, Porsche and McLaren clubs. In 2018 we had a nice showing of vipers and for those that want to go again all activities will be pretty similar to what we did last year. Also note this will probably be the last year of this event.

If interested, please let me know. Bob 303 430-0433 office or reply to this email.

We will be staying at the Mountain Chalet; everyone has said underground parking is best. (hotel info will be emailed next week)
